Our Mission

HWN is designed to provide the structure women in the Heartland need in order to grow professionally and personally. Working together makes each of us more powerful, resilient, and self-sufficient. While we may have different professional and personal goals, we all share certain challenges. If you're looking for a progressive networking group in the Omaha metro, Heartland Women's Network is for you.

Explore our website to learn more about HWN. We welcome you to join us at our next monthly meeting and explore how HWN can help you. Become a member today and let us serve as your advocate to help you with career development, difficult transitions and success strategies.
